

Elburn Boy Scout Troop #7

Drivers Information

The Boy Scouts of America require that all scouts wear their Class A uniform when traveling with the troop so BSA insurance will be in effect. In addition to the uniform we are also required to update driver information annually.

Please fill in the following requested information. The information is for use by Troop 7 and will not be shared with anyone except in the event of an emergency. Please fill out a separate form for each vehicle you may possibly drive. You can fill in the form and email it back to me at the email address below or print it out and give it to me at a Troop meeting. If you have any questions or concerns regarding this form, please contact Dan Bateman.
